The GTCBRA has determined in furtherance of its purposes and to accomplish its goals and Plan to finance certain "eligible activities" as defined by Sec. 2(l) of Act 381, Public Acts of 1996, MCL 125.2652 (l) within or infrastructure that directly benefits eligible property and as described in the Act 381 Work Plan attached as Exhibit C, as the same may be amended or supplemented.
- D. Pursuant to the Plan and the Act 381 Work Plan, the GTCBRA will capture and retain 100% of the Tax Increment revenues authorized by law to be captured from the levies imposed by taxing jurisdictions upon taxable property for the eligible property consistent with Act 381, as amended, and the Plan approved by the GTCBRA (the "Tax Increments"). ARTICLE 2.

COVENANTS OF THE OWNER

Section 2.1 Construction of Development. The Owner may proceed with the development and the obligations under this Agreement in its discretion. If it decides to do so, it shall proceed with due care and diligence and commence and complete the eligible activities and the Development in accordance with this Agreement, and in accordance with any applicable law, regulation, code and ordinance.

Section 2.2 Covenant to pay Financial Obligations. The Development will utilize the Owner's own funds ("pay-as-you-go") and receive reimbursement from the GTCBRA (also referred to as "debt obligation") to the extent of available Tax Increment revenues for payment of the eligible activities in accordance with the terms of this Agreement. However, before any Tax Increment revenues may be reimbursed, the GTCBRA shall first establish a contingency reserve fund for the Plan and Development Project, which shall be not more than twenty percent (20%) of such tax increment funds in any one year. Subject to payment into such reserve, the revenues shall then be utilized by the parties and payment made in the following order of priority: (a) First, the revenues will be applied to administrative and transaction costs; (b) Second, to reimburse the "pay-as-you-go" expenses of the Owner as provided in this Agreement. The funds held for the contingency reserve will be distributed to the Owner for "pay-as-you-go" expenses upon receipt of the subsequent year's tax increment capture, subject to the priority of payment described in (a) and (b) of this paragraph. Upon satisfactory completion of the eligible activities, the remainder of the contingency reserve fund may be applied to the GTCBRA's administrative and transaction costs and the Owner's "pay-as-you-go" expenses.

It is anticipated that there will be sufficient available Tax Increment revenues to meet the obligations under this Agreement. However, if for any reason the Development does not

result in sufficient revenues to satisfy such obligations, the Owner agrees and understands that it will have no claim or further recourse of any kind or nature against the GTCBRA except from available captured tax revenues, and if for any reason the revenues are insufficient or there are none, then Owner assumes full responsibility for any such loss or cost.

It is expressly understood and agreed that the reimbursement (debt obligation) of GTCBRA is subject to the following conditions:

- (a) Approval by the MDEQ and/or MEGA and GTCBRA of (1) the Act 381 Work Plan, as amended or supplemented, or (2) of the eligible activity as qualifying for school tax capture; however, to the extent an eligible activity falls outside subparagraph 2.2 (a)(1) or (a)(2), then the eligible activity must be identified in the Work Plan, as amended, and approved by the GTCBRA for local tax recapture to the extent authorized by Act 381.
- (b) The Owner shall provide proof of ownership of the Project Site, if applicable, and shall provide the GTCBRA with a list of any potentially responsible party (PRP) for the contamination on the property, and shall have performed all of the covenants, obligations, terms and conditions to be performed by it pursuant to this Agreement and any Financing Agreement or other agreement with GTCBRA, and all preconditions to the performance of the Owner shall have been satisfied.
- (c) Owner shall provide written proof of waivers of liens by the environmental consultant, any contractor, subcontractor providing services as described in this Agreement.
- (d) Owner shall pay all real estate tax obligations when due.

Section 2.3 Advanced Payment for Administrative Expenses. The Owner agrees to make an advance payment of \$1,500.00 to the GTCBRA in order to cover administrative costs and fees, as defined in section 7(h) of the Act, that are part of the approval of the work plan and any eligible activity on an eligible property. The payment shall be a pre-approved reimbursable administrative cost subject to tax increment financing under section 13(3) and section 13(16) of the Act, the approved Act 381 Work Plan and the satisfaction and performance of the terms of this Agreement.

The amount of the payment will be determined based on the policies and procedures of the GTCBRA, taking into consideration the size, scope, and complexity of the project. The advanced payment shall be placed in an escrow account, and shall only be drawn on to reimburse the GTCBRA for administrative expenses that are part of eligible activities on eligible property, or are part of the Act 381 work plan approval process. If the administrative

costs of the GTCBRA are less than the advance payment, then the remainder shall be returned to the Owner. If the administrative costs of the GTCBRA exceed the advance payment, the Owner shall remain responsible for the reimbursement of those costs under the terms of this Agreement.

In the situation where the GTCBRA's administrative costs exceed the advance payment, the Owner may be required to make additional payments to replenish the escrow account. The amount of any additional payments, if necessary, shall be calculated in the same manner as the original advanced payment outlined above. The GTCBRA shall give the Owner reasonable notice of the necessity for any additional payments.

If for any reason the Owner is unable to obtain title to the site and is therefore unable to perform this contract, The GTCBRA withholds the right to keep all or part of the advance payment in order to cover its administrative costs and fees incurred up to the time of default.

Section 2.4 Indemnification of Indemnified Persons.

- (a) The Owner shall defend, indemnify and hold the Indemnified Persons harmless from any loss, expense (including reasonable counsel fees) or liability of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from injuries to persons or property as a result of the ownership or operation, use or maintenance of the Development from and after the date hereof. If any suit, action or proceeding is brought against any Indemnified Person, the Indemnified Person promptly shall give notice to the Owner and the Owner shall defend such Indemnified Person with counsel selected by the Owner, which counsel shall be reasonably satisfactory to the Indemnified Person. In any such proceeding, the Indemnified Person shall cooperate with the Owner and the Owner shall have the right to settle, compromise, pay or defend against any such claim on behalf of such Indemnified Person, except that the Owner may not settle or compromise any claim if the effect of doing so would be to subject the Indemnified Person to criminal penalties, unless such Indemnified Person gives its consent. The Owner shall not be liable for payment or settlement of any such claim or proceeding made without its consent.
- (b) The Owner also shall indemnify the Indemnified Persons for all reasonable costs and expenses, including reasonable counsel fees, incurred in successfully enforcing or pursuing any obligation of or claim against the Owner under this Agreement or any related Agreement. To the extent that the enforcement of such obligation or claim involves a claim against an environmental consultant who performs work or services under the terms or within the scope of this Agreement, the environmental consultant's agreement with the Owner shall be

deemed to be a third party beneficiary contract in favor of the GTCBRA or any Indemnified Persons.

- (c) The Owner shall assure that to the extent an Environmental Consultant provides services toward completion of any eligible activities, at a minimum, the consultant shall provide to the GTCBRA and the County the indemnity provisions set forth in Sec. 6.18 of this Agreement.
- (d) The indemnity provisions shall survive the term of this Agreement.

Section 2.5 Site Access. The Owner shall grant to GTCBRA and the MDEQ or MEGA, or their designated agents, access to the Site to exercise their respective rights related to the purposes and pursuant to the terms of this Agreement. The GTCBRA shall give the Owner 24 hours written notice of its intent to access the site whenever possible. If notice cannot be given due to an emergency or any other unforeseen circumstance, the GTCBRA shall give notice as is reasonable and practicable under the circumstances.

ARTICLE 3.

CONDITIONS PRECEDENT TO OWNER'S OBLIGATION

Section 3.1 Conditions Precedent to Owner's Obligations to Construct the Development. The obligations of Owner to complete eligible activities and construct the Development after if in its discretion decides to proceed, , as contemplated herein, are subject to the following conditions precedent which must be satisfied by the GTCBRA as required herein, except as expressly provided in this Agreement or otherwise waived by the Owner:

- (a) No action, suit, proceeding or investigation shall be pending before any court, public board or body to which the Owner, the County or the GTCBRA is a party, or threatened against the Owner, the County or the GTCBRA contesting the validity or binding effect of this Agreement or the validity of the Plan, which could result in an adverse decision which would have one or more of the following effects:
 - (1) A material adverse effect upon the ability of the GTCBRA to collect and use Tax Increments revenues to repay its obligations under this Agreement and the Financing Agreement.
 - (2) A material adverse effect on the Owner's or the GTCBRA's ability to comply with the obligations and terms of this Agreement, the Plan, or the Act 381 Work Plan.

- (b) There shall have been no Event of Default by the GTCBRA and no action or inaction by the GTCBRA eventually which with the passage of time could become an Event of Default.
- (c) The GTCBRA shall have performed all of the terms and conditions to be performed by it pursuant to this Agreement.

These policies and procedures include, but are not limited to, the GTCBRA's standards for local tax incremental financing eligibility.

Section 4.2 Completion of Eligible Activities. Upon the Owner's satisfactory completion of the eligible activities described in Exhibit C, as amended or supplemented, pursuant to this Agreement, and approved by MDEQ and where applicable approved by the GTCBRA, the GTCBRA shall reimburse the Owner subject to and in accordance with the terms set forth in this Agreement and the Financing Agreement. The Owner shall have sole responsibility to pay the environmental consultant or other contractors or subcontractors for completion of such eligible activities and provide written waiver of any liens. If the Owner incurs any expenses or costs for any activities other than the eligible activities or the costs exceed the maximum cost of eligible activities as set forth in Exhibit C, as amended or supplemented, the Owner shall bear such costs without any obligation on the part of GTCBRA. If the costs of eligible activities set forth in Exhibit C, as amended or supplemented, are less than such maximum cost, then the Owner shall have no further right of reimbursement beyond its actual costs.

Section 4.3 GTCBRA or Contract Manager Oversight. The GTCBRA may retain the services of a qualified contract manager to exercise oversight of the Owner and its environmental consultant, contractors, or subcontractors for purposes of assuring that the activities, invoices and accounting by the Owner are fair, reasonable, and constitute eligible activities within the meaning and scope of this Agreement, the Plan, the Act 381 Work Plan, and Act 381. The Owner shall provide to the Director and its Contract Manager access to data, reports, sampling results, invoices, and related documents reasonably necessary to fulfill the exercise of such oversight. It is expressly agreed that the GTCBRA makes or gives no assurance of payment to the Owner by the mere fact that an eligible activity or a dollar amount for such activity is identified in the Work Plan, or as hereafter supplemented or amended, and that its designated contract manager shall have the right to review and approve all written summaries of and invoices for eligible activities for the reasonableness of services performed by any Consultant under this Agreement. However, so long as an eligible activity by the Owner has been approved and is authorized by Act 381 and has been completed and approved in accordance with the following procedure and this Agreement, Owner shall be entitled to reimbursement of its "pay-as-you-go" costs.

- (a) Before commencing work on each stage of eligible activities and pursuant to the policies adopted by the GTCBRA, the Owner or their designee will present a project budget for each stage to the GTCBRA Director at least two weeks prior to the next regular meeting of the GTCBRA, with a copy to the GTCBRA Contract Manager. writing through an alternative dispute mediation or there is a final judgement or order of a court of competent jurisdiction directing payment.

- (c) No action, suit, proceeding or investigation shall be pending before any court, public board or body to which the Owner, the County or the GTCBRA is a party, or threatened against the Owner, the County or the GTCBRA contesting the validity or binding effect of this Agreement or the validity of the Plan or which could result in an adverse decision which would have one or more of the following effects:
- (1) A material adverse effect upon the ability of the GTCBRA to collect and use Tax Increments to pay the obligations.
 - (2) A material adverse effect upon the ability of the Owner to conduct Eligible Activities.
 - (3) Any other material adverse effect on the Owner's or the GTCBRA's ability to comply with the obligations and terms of this Agreement, or the Plan.

The Owner has no right to any Tax Increment financing for any eligible activity undertaken on the property prior to its purchase of the property.

ARTICLE 6.

OWNER'S ENVIRONMENTAL CONSULTANT RESPONSIBILITIES

Section 6.1 Eligible Activities and Due Care Obligation. If it proceeds with the Development, the Owner covenants that it will contract with a competent and qualified Environmental Consultant ("Consultant") or other competent and qualified contractors or subcontractors ("Contractors") to conduct and complete the eligible activities set forth in this Agreement and as set forth in the Act 381 Work Plan, as amended or supplemented, or the Plan, as amended or supplemented, and to meet any due care obligation under Sec. 20107a, NREPA, MCL 324.20107a and 324.20129a, in accordance with any MDEQ requirements and approval.

The Owner covenants that it will obtain a warranty from the Consultant or Consultant that it is not a party to any other existing or previous agreement which would adversely affect the Consultant's or Contractor's ability to perform the services with respect to the eligible activities.

Section 6.7 Contractors and Subcontractors. If the Owner hires a Consultant or Contractor, or retains any person, firm or corporation to perform services related to eligible activities under this Agreement, the Owner shall first secure the written acknowledgment from such party that such party is not and shall not be or act as an agent or employee of the GTCBRA, nor assume or create any duty, commitment or obligation on behalf of nor bind the GTCBRA in any respect whatsoever. A copy of such written acknowledgment shall be provided to GTCBRA.

Section 6.8 Non-Discrimination Clause. Neither the Owner, Consultant, nor any contractors or subcontractors shall discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status. A breach of this provision may be regarded as a material breach of this Agreement.

Section 6.9 Independent Contractor. The Consultant and any Contractors or Subcontractors shall perform its services under this Agreement entirely as an independent contractor, and shall not be deemed an agent, employee or legal representative of the GTCBRA. GTCBRA and the Consultant and any Contractor or Subcontractor shall each have and maintain complete

control over all its employees, agents and operators. Facts or knowledge of which the Consultant or Contractor becomes aware shall not be imputed to GTCBRA without communication to and receipt by managerial officials or employees of GTCBRA. The Consultant or any Contractor or Subcontractor has no authority to assume or create, and will not assume or create, any commitment or obligation on behalf of the GTCBRA in any respect whatsoever. - (e) The Owner shall furnish to GTCBRA a certified copy of such policies 30 days of the date of the commencement of the eligible activities and the period of coverage shall commence with the date of performance of the first eligible activity. The limits of insurance shall not be construed as a limitation on the Consultant's, Contractor's, or Subcontractor's liability for damages, costs or expenses under this Agreement.
- (f) Upon showing of no or minimal environmental impairment risk with respect to the activities to be performed by any specific contractor or sub-contractor, the Owner may request in writing a reduction of the amount of coverage in subparagraph (b) to \$500,000; upon the same showing, the Owner may also request as to a specific Contractor or specific sub-contractor a waiver of the Environmental Impairment Insurance required by subparagraph (c). The GTCBRA will provide written documentation in the event it approves of such a request, which shall be treated as an amendment to this Agreement effective on the date of such written approval.

Section 6.13 Limitation of Liability.

- (a) Defend, Indemnify and Hold Harmless. Notwithstanding any other provision of this Agreement, the Owner shall obtain Consultant's agreement to defend, indemnify and hold GTCBRA harmless against and from all liabilities, losses, damages, costs, expenses (including attorney fees), causes of action, suits, claims and demands for judgment arising out of:
 - (1) Those which GTCBRA may sustain as a result of the failure of the Consultant to comply with the provisions of this Agreement; and/or
 - (2) Those which result from or arise out of any acts or omissions, negligent or otherwise, of the Consultant's employees, agents, contractors, or subcontractors in the performance of the work specified in this Agreement.
- (b) Contribution. The Owner shall obtain written acknowledgment that the Consultant, any Contractor, or subcontractor could be liable to GTCBRA for all damage, loss, injury or expense to the extent such person or entity's acts or omissions arising out of the performance of activities under this Agreement are actionable negligence or gross negligence, or constitute intentional misconduct; the Consultant, any Contractor, or Subcontractor shall be liable for contribution to GTCBRA for any such damage, loss, injury or expense of a third party arising out of such activities, notwithstanding Sec. 20128 of the NREPA, MCL 24.20128, for releases aggravated or proximately caused by the Consultant.

This paragraph shall not affect any other liabilities or remedies of the GTCBRA.

- (d) Breach. A breach of the foregoing provisions of Sec. 6.13 at the option of GTCBRA constitutes, or will result in, a breach of the Development Agreement.
- (e) The written agreement in subparagraph (a) of this section and written acknowledgment in subparagraph (b) shall be filed with the GTCBRA before any work begins or before any reimbursement under the terms of this agreement.
