COVENANTS OF THE OWNER

Section 2.1 Construction of Development. The Owner shall proceed with the development and the obligations under this Agreement at its discretion. If it decides to do so, it shall proceed with due care and diligence and commence and complete the Eligible Activities and the Development on its portion of the Site (if not already completed) in accordance with this Agreement, and in accordance with any applicable law, regulation, code and ordinance.

Section 2.2 Covenant to pay Financial Obligations. The Owner will facilitate the Development utilizing its Owner’s own funds, including financing obtained by the Owner, and receive reimbursement from the GTCBRA (also referred to as the “Debt Obligation”) of an amount up to \$2,194,122 of the Pooled Reimbursement to the extent of available Tax Increment Revenues for payment of the Eligible Activities in accordance with the terms of this Agreement the Brownfield Plan, and the Act 381 Work Plans. The GTCBRA may first establish a contingency reserve fund for the Brownfield Plan and Development Project, which shall be not more than twenty percent (20%) of such tax increment funds in any one year. Subject to payment into such reserve, the revenues shall then be utilized by the parties and payment made in the following order of priority:

- (a) First, the revenues will be applied to administrative and transaction costs;
- (b) Then, payment of such amounts from the Pooled Reimbursement to Owner for Eligible Activities expenses under this Agreement (and to Original Developer under the Related Development Agreement) will be in accordance with the general payment schedule (and percentages) attached hereto as Exhibit E; which provide for receipt of 50% of all Tax Increment Revenues beginning in 2023 and continuing thereafter through such time as Original Developer receives reimbursements totaling \$1,372,890 (after which Owner shall receive 100% of all remaining Tax Increment Revenues totaling \$2,194,122).

The funds held for the contingency reserve will be distributed to the Owner for Eligible Activities expenses upon receipt of the subsequent year's tax increment capture, subject to the priority of payment described in (a) and (b) of this paragraph. Upon satisfactory completion of the Eligible Activities, the remainder of the contingency reserve fund may be applied to GTCBRA's administrative and transaction costs and the Owner's Eligible Activity expenses, in that order of priority.

It is anticipated that there will be sufficient available Tax Increment Revenues to meet the obligations under this Agreement. However, if for any reason the Development does not result in sufficient revenues to satisfy such obligations, the Owner agrees and understands that it will have no claim or further recourse of any kind or nature against the GTCBRA except from available captured Tax Increment Revenues, and if for any reason the Tax Increment Revenues are insufficient or there are none, then Owner assumes full responsibility for any such loss or cost.

The Owner further agrees and understands that the Tax Increment Revenues used to reimburse Owner for eligible expenses under this Agreement are from the entirety of the Site and the taxable values of property within the Site not owned by Owner may impact the amount of Tax Increment Revenues and/or amount of reimbursement available to Owner hereunder.

It is expressly understood and agreed that the reimbursement by GTCBRA is subject to the following conditions:

- (a) Approval by EGLE and/or MSF, and GTCBRA of (1) the Act 381 Work Plans, as amended or supplemented, or (2) of the Eligible Activity as qualifying for school tax capture; however, to the extent an Eligible Activity falls outside (1) or (2) of this subparagraph, then the Eligible Activity must be identified in the Brownfield Plan Budget Line Item Administrative Amendment #2, as may be amended, and approved by the GTCBRA for local tax recapture to the extent authorized by Act 381.
- (b) The Owner shall provide proof of ownership of areas within the Site if applicable, and shall provide the GTCBRA with a list of any known potentially responsible party (PRP) for the contamination on the property, and shall have performed all of the covenants, obligations, terms and conditions to be performed by it pursuant to this Agreement or other agreement with GTCBRA, and all preconditions to the performance of the Owner shall have been satisfied.
- (c) Owner shall provide written proof of waivers of liens by any Environmental Consultant or any Contractor providing services as described in this Agreement.
- (d) Owner shall pay all real estate tax obligations when due.
- (e) GTCBRA shall only be obligated to reimburse the Debt Obligation that has been reviewed and approved by the GTCBRA. Approval of the application and subsequent approvals of brownfield plans, work plans, or any other determination of eligibility in no way guarantees or establishes a right to reimbursement of

expenditures through tax increment financing prior to review or approval of invoices. Expenditures must be documented to be reasonable for Eligible Activities by submission of invoices and other appropriate documentation. Reimbursement shall only occur pursuant to the terms and conditions of this Agreement, as well as the policies and procedures of the GTCBRA for review and approval of invoices. All invoices for any Eligible Activities on the Site must be submitted to the GTCBRA for its review within 60 days from the date of mutual execution of this Agreement, 60 days from the date of the completed Project receiving its Certificate of Occupancy, or one year from the date of the invoice, whichever is later. While the GTCBRA may waive this requirement in its discretion for good cause shown, the GTCBRA shall be under no obligation to reimburse any invoice for an Eligible Activity that is not submitted within such 60 day or one-year period, whichever is later.

Section 2.3 Indemnification of Indemnified Persons.

(a) The Owner shall defend, indemnify and hold the Indemnified Persons harmless from any loss, damages, costs, expense (including reasonable counsel fees) or liability of any nature due to any and all suits, actions, legal or administrative proceedings, demands or claims arising or resulting from the following:

In any such proceeding, the Indemnified Person shall cooperate with the Owner and the Owner shall have the right to settle, compromise, pay or defend against any such claim on behalf of such Indemnified Person, except that the Owner may not settle or compromise any claim if the effect of doing so would be to subject the Indemnified Person to criminal penalties, unless such Indemnified Person gives its consent. The Owner shall not be liable for payment or settlement of any such claim or proceeding made without its consent.

- (c) The Owner also shall indemnify the Indemnified Persons for all reasonable costs and expenses, including reasonable counsel fees, incurred in successfully enforcing or pursuing any obligation of or claim against the Owner or Owner's Environmental Consultant or Contractors under this Agreement or any related agreement. To the extent that the enforcement of such obligation or claim involves a claim against an Environmental Consultant or Contractor who performs work or services under the terms or within the scope of this Agreement, the Environmental Consultant's or Contractor's agreement with the Owner shall be deemed to be a third-party beneficiary contract in favor of the GTCBRA or any Indemnified Persons.
- (d) The Owner shall assure that to the extent an Environmental Consultant or Contractor provides services toward completion of any Eligible Activities for Owner, at a minimum, the Environmental Consultant or Contractor shall provide to the GTCBRA and the County proof of insurance set forth in Sec. 6.12 of this Agreement.
- (e) The Owner shall obtain written acknowledgement that the Environmental Consultant or any Contractor could be liable to GTCBRA for all damage, loss, injury or expense to the extent such person or entity's acts or omissions arising out of the performance of activities under this Agreement are actionable negligence or gross negligence, or constitute intentional misconduct; the Consultant or any Contractor shall be liable for contribution to GTCBRA for any such damage, loss, injury or expense of a third party arising out of such activities, notwithstanding Sec. 20128 of the NREPA, MCL 324.20128, for releases aggravated or proximately caused by the Environmental Consultant or Contractor. This paragraph shall not affect any other liabilities or remedies of the GTCBRA.
- (f) Notwithstanding any other provision of this Agreement, the Owner shall obtain their Environmental Consultant's and other Contractors' written agreements to defend, indemnify and hold harmless the Indemnified Persons against and from all liabilities, losses, damages, costs, expenses (including attorney fees), causes of action, suits, claims and demands for judgment, to the same extent as the Owner's indemnification provisions under this Section. This indemnity shall only apply to the Environmental Consultant's or Contractor's actions, and the Consultant or Contractor shall have no obligation to indemnify, defend or hold harmless the Indemnified Persons for any loss, liability, claim, damage, cost or expense arising out of, related to or resulting from any activities performed by other Environmental Consultants or Contractors on the Property.
- (g) The indemnity provisions shall survive the term of this Agreement.
- (h) Proof of insurance required in subparagraph (d), the written acknowledgement in subparagraph (e) and the written agreements in subparagraph (f) shall be filed with the GTCBRA before any work begins or before any reimbursement under the terms of this agreement.

- (i) A breach of the foregoing provisions of Sec. 2.3 at the option of GTCBRA constitutes, or will result in, a breach of the Development Agreement.

Section 2.4 The Owner's Repayment Obligation.

In the event any monies received by the Owner under this Agreement are determined to be outside the scope of Eligible Activities for the Development conducted by at the direction of Owner or not approved in accordance with this Agreement, the Owner shall not use and shall return such monies to the GTCBRA. If the monies have been already utilized for such improper purpose, the Owner shall repay such monies to the GTCBRA. In addition to any other remedies, GTCBRA shall have the right of set-off for return or repayment of such monies against its obligations under this Agreement.

Section 2.5 Deduction from Owner's Right to Reimbursement.

The Owner grants the GTCBRA the right to deduct or set off from any reimbursement obligation to Owner the costs incurred by the GTCBRA in the successful enforcement of the terms of this Agreement or other claims in the event of a breach or default of this Agreement by the Owner.

Section 2.6 Site Access. The Owner shall grant to GTCBRA, the EGLE and/or MSF, or their designated agents, access to the Site to exercise their respective rights related to the purposes and pursuant to the terms of this Agreement. Site access shall include the right to perform any eligible activities by the GTCBRA, as provided in the Brownfield Plan and Work Plans, in the GTCBRA's discretion. The GTCBRA shall give the Owner 24 hours written notice of its intent to access the Site whenever possible. If notice cannot be given due to an emergency or any other unforeseen circumstance, the GTCBRA shall give notice as is reasonable and practicable under the circumstances.
