Day Trip-Activity Level 2

Join us for a leisurely day, taking in the beauty of fall in northern Michigan. With transportation by deluxe motorcoach, our adventure begins with a tour through the breathtaking Tunnel of Trees to Cross Village.

In Cross Village, enjoy an included lunch at the Historic Legs Inn Restaurant. We will savor the atmosphere and cuisine from their catered menu of homemade polish cuisine. After lunch, we make our way to Boyne Falls where travelers have the opportunity to step onto the world's longest timber-towered suspension bridge, the SkyBridge. Travelers may choose to ride the chairlift to the top, be escorted via golf cart or stay at the bottom to take in the panoramic views of the Boyne Valley.

Sit back and relax as we return to Traverse City. Hopefully, you will have photos capturing the breathtaking views, some new friends, and wonderful memories of a breathtaking day touring northern Michigan.
